

i-Net: Your Education Connection....

www.illinoisnetwork.org

i-Net webinars give rural health providers access to **high quality, money saving Educational Programs.**

i-Net specializes in programs that are timely to your educational needs. All webinars are live, so your staff can interact with the presenter. Webinars are also recorded, so staff on other shifts can participate at their convenience. **PLUS-** receive required multi-disciplinary continuing education credits without having to travel, **saving time and money!**

Topics for 2012 programs include:

- * *Staff Development, leadership, and communication, patient satisfaction, performance improvement.*
- * *Clinical updates: asthma, pneumonia, heart failure, infectious disease, emergency childbirth, COPD.*

Members Save:

- * *25% discount on all programs*
- * *Free Continuing Education Certificates*
- * *Pre-pay options for additional savings*

Annual i-Net Membership Cost: \$350.00 before December 31, 2011

\$450.00 after January 1, 2012
